

UNDER 14'S SEASON 24/25 DRAW

A few things to remember

- Games are at Ridley Reserve West, Elizabeth on Saturday mornings and are 9:00am start times. Please have your child there and ready to warm up at 8:15 to warm up and get settled before the game. Yes, it is early. There is usually coffee available at the grounds.
- We have some club shades that we would love parents to help set up before games so that we can keep our players and spectators sheltered as well as promote our club. We would really appreciate your support with setting these up on game day mornings. Our senior teams are responsible for their pack up on game days.
- Please make sure you have your child's equipment including the obvious glove etc but also make sure there is a drink, sunscreen and their hat... also shoes, I often hear " whoops, I don't have my softball shoes".
- Once your uniform has arrived please make sure your child is in uniform as we can receive fines if out of uniform. This includes the correct socks and hat. No visors for juniors.
- I have some values when it comes to being a coach and your support is invaluable with this. One thing is that I keep parents out of the bench area and encourage spectators to have positive encouragement. I am a cheer for your team mate coach, and not a cheer to put off the other team coach and I am very mindful about how I give feedback to my players. I want them to learn, have fun and love this game so my team environment is very important and your support in creating this dynamic is very important. Thank you
- I do sometimes bring treats for game days. Lollies, fruitboxes, oranges, cans of drink etc. Not always but I know it is hot in summer and I think it adds to the memories etc. If there are any concerns around sugar or allergies please let me know so I can ensure I can keep an eye out or avoid certain things.
- Please come speak to me if any issues arise, coaching juniors is a collaboration between club, coach, parent and player and I am always happy to listen.

Raptors

under 14's Games for 24/25 - 9:00am
